

My whole family listens to K-LOVE in Cary, NC. We have 3 children: 1 in elementary, 1 in middle, and 1 in high school. K-LOVE is a station we all enjoy listening to, and that's rare these days! If it were displaced by an LPFM broadcaster we would be at a great loss. K-LOVE serves our family and so many others with positive music and promotes family unity. Please don't let LPFM take over!
